

## Program - Day 1 (24/09/24)

- 12:30**                    **Registration & networking Lunch with Poster Session**
- 14:00**                    **Welcome & Opening of the HALRIC Conference 2024**  
*Moderator: Petter Hartman, CEO, Medicon Village*
- **Martin L. Olsson**, Chair of HALRIC's Joint-Steering-Committee, Lund University
  - **Hauke Heekeren**, President, Universität Hamburg
  - **Katharina Fegebank**, 2nd Mayor of The Free and Hanseatic City of Hamburg and Senator for Science, Research and Equality
- 14:20**                    **HALRIC vision and progress since the kick-off**  
*By Kajsa M. Paulsson, HALRIC Project Director, Lund University and Arwen Pearson, HALRIC National Coordinator, Universität Hamburg*
- 14:45**                    **EU perspective on Life Science cooperation**  
*Speaker TBC*
- 14:55**                    **Kick-Off HALRIC Strategic Forum - Panel Session:**  
**“Strategic perspectives of cross-border research and innovation in the Life Science Sector: value, barriers and challenges”**  
*Moderator: Kajsa M. Paulsson*
- The high-level panel will represent perspectives from Academia, Industry, Hospital, large-scale Research Infrastructure, Regional Government and the EU.*
- 15:35**                    **COFFEE BREAK**
- 16:00**                    **Warm up to the tour of the European XFEL**  
*By Sakura Pascarelli, Scientific Director, European XFEL*
- 16:15**                    **Shuttlebus to the European XFEL and tour in groups**
- 18:30**                    **Conference Dinner at the European XFEL**
- 21:00**                    **Shuttlebus to the Bahrenfeld Campus & Altona Station**

## Program - Day 2 (25/09/24)

- 9:30**                    **Welcome to the second conference day**  
*Moderator: Arwen Pearson, Professor, Universität Hamburg*
- 9:35**                    **Keynote on the topic of Sustainability**  
*Speaker TBC*
- 10:00**                    **HALRIC Pilot project:**  
**Advancing cellular infection models in the search for new antibiotics**  
*Pernille Rose Jensen, Technical University of Denmark*
- 10:10**                    **HALRIC Pilot project:**  
**Feasibility of using microCT to optimize surgical precision in oral cancer**  
*By Tobias Todsen, Rigshospitalet (University Hospital in Denmark)*
- 10:20**                    **HALRIC Pilot project with Hanseatic Science Cloud involvement**  
*By Anders Sjöström, Lund University*

- 10:30**                    **COFFEE BREAK**
- 11:00**                    **Mapping of Research Infrastructures in the HALRIC Region**  
*By Linda Eliasson, Lund University*
- 11:15**                    **Matching Life Science needs with resources**  
*By Selma Maric, MAX IV Laboratory*
- 11:30**                    **FACILITATED ROUND TABLE DISCUSSIONS**  
*Topics include:*
- How to create awareness and encourage submission of HALRIC pilot project applications - lessons learned and strategy onwards.
  - What role does the "accessibility barriers and thresholds" play and how can we reduce these? Good examples of RIs and/or actions that successfully lower the thresholds.
  - How do RIs in the HALRIC region complement each other
  - Access to HSC prototypes - how do we include this in the pilot projects.
- 13:00**                    **LUNCH**
- 14:00**                    **CONCLUDING PLENUM SESSION**
- Panel talk to summarize and conclude on round table discussions*
- 14:30**                    **HALRIC Outlook to 2026**  
*By Kajsa M. Paulsson, HALRIC Project Director, Lund University*
- 14:45**                    **FAREWELL/END OF CONFERENCE**
